Models & Accessories

Haul More.
Tow More.
Go More.

Mahindra
Utility Vehicles

Mahindra mPACT® XTV Utility Vehicles are designed to Haul More, Tow More and Go More.

Built from the ground up in Batesville, AR, the Mahindra mPACT® XTV series sets the standard for handling hard work around the farm, property or anywhere else you need to take it. Mahindra offers world-class, off-road utility vehicles with unparalleled strength, power and performance to help you work smarter and play harder.

The XTV lineup leads the utility vehicle category for cargo box capacity, towing capacity and ground clearance. These unique vehicles have spacious, comfortable seating and are loaded with standard features including electric power cargo box lift, 2" front and rear receiver hitches, black aluminum wheels and front bumper. Best of all, these vehicles include an industry-leading 3-Year Powertrain warranty. A full line of accessories is available for customizing these vehicles to fit your style and needs.

Mahindra
Utility Vehicles

HAUL MORE, TOW MORE, GO MORE.

Haul More.

- Haul up to 1,200 lbs.
- Up to 34 cu ft of cargo volume (L models)
